

## **STATUS REPORT - February 2008**

### **Rax Problems**

NCRFC and MARFC again had hardware problems.

### **OSIP Project: RFC Archive Server Technology Refresh Initiative**

Work continues on Gate 2 documents. The Integrated Work Team (IWT) has all its members except for Eastern Region. So far the team has the following members:

Juliann Meyer (lead)	Central Region/MBRFC
Julie DeMargne	OHD
Randy Rieman	OCWWS/HSD
Jim Lane	OS & T/SEC
Brian Doerk	CIO
Robin Radlein	Alaska Region
James Paul	Southern Region
Scott Dummer	Western Region
TBD	Eastern Region
Chris Holte	OHD/Admin Support

Juliann Meyer participated in OSIP Guidance session for IWT team leads. Session covered included Overview of OSIP Stage 2 and Overview of Requirements Development and Management.

### **New to the Web**

Build ob8.2 user documentation is now available. It can be found at:

[http://www.nws.noaa.gov/oh/rfcdev/projects/rfcRAX\\_db82\\_docs.htm](http://www.nws.noaa.gov/oh/rfcdev/projects/rfcRAX_db82_docs.htm)

Sections that have changes are: A1-Summary, A4-Getting Started and C1-Database tables by category.

Appendices that have changes are: A - Database Schema, D - Database Table Dictionary, G - Database Column Look-up Table, and H - Overview of Quality Control Tools/Features.
